

I am located in Africa, and would like to purchase an exam voucher. What steps should I take to purchase?

You can purchase your exam voucher using a credit card or Paypal through The HPE Voucher Store. However, you may also purchase exam vouchers at a Pearson VUE Test Center. You are able to purchase an exam voucher at any of below Pearson VUE Test Centers. Please visit, or call one of these test sites and they will assist you in your purchase. When purchasing at a test center, you will be able to complete your transaction in your local currency. However, if purchasing through The HPE Voucher Store your order will be processed in USD.

Please Note: when purchasing your exam voucher at a Pearson VUE Test Center, you may be charged a 30% authorized handling fee. This will be noted on your receipt.
